

## VSA Academy Teams Play in Fall Festival

VSA's Academy teams are set to play in the ISA Academy Fall Festival over the next two weekends. The Girls Academy teams will play Saturday, September 25th, while the Boys Academy teams will play October 2nd.

VSA is sending a total of 11 teams to the Iowa Soccer Association's Academy Fall Festival with six girls teams participating and five boys teams. All games will be played at the Cownie Soccer Complex. ISA conducts an Academy Festival twice annually in the Spring and Fall.

VSA's Academy program is for players who are interested in training and playing with and against players who love the game, who want to accelerate their fundamental skill development, and who potentially will play select soccer. Good luck to all VSA Academy Teams!
