## VSA INTERNATIONAL FRIENDLY FACILITY RULES

### Drake University

- 1) There are softball games going on both days – during these games, soccer participants and spectators cannot use the NE stadium driveway gate. The NE spectator gate will be open during these times.
- 2) Absolutely no vehicles inside the stadium.
- 3) Throughout the entire event, the main SW gate will be open for access to the stadium.
- 4) Restrooms for participants will be available at the NW building at field level.
- 5) If it is dry enough, the North Field can be used for stretching only. Players **can not** do drills and **no balls** will be permitted on the North Field. Student supervisors will have the discretion to determine if that field is suitable for use. Any dynamic movement/warm-up must occur on the soccer field or on the concrete area just north of the stadium.
- 6) Please keep bench areas/sidelines clean...have your players remove any empty bottles, tape, wrappers, etc. and place in the available receptacles.
- 7) Concession stand will not be open, however, there are several restaurants within walking distance of the stadium.

### VSA

- 1) Parking space is limited, please carpool with other teammates if at all possible.
- 2) Parking allowed ONLY on gravel surfaces...NO parking on grass please!
- 3) There is plenty of green space...warm up at your discretion...be ready to start on time!

- 4) Please keep bench areas/sidelines clean...have your players remove any empty bottles, tape, wrappers, etc. and place in the available receptacles.
- 5) Concession stand will be open!

### **Waukee Stadium**
